## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The information required by the various Forms (see Act of [illegible] March, 1903) is to be entered in the columns of the Lists or Manifests as follows, and should be under the appropriate column to which it relates. The number of the column to be entered at the head of each column. Words not necessary to be written in full may be indicated by the usual abbreviations or by the first letter only, as may be clearly understood. Do not use ditto marks (") in any case, but repeat the word or words to which they relate.

Column 1. [illegible] Write the name of each person in full, giving the Christian name (or initials thereof) and surname of every person, including children and infants. Married women should be entered by the names by which they are commonly known, as Mrs. John A. Smith, not Mrs. Mary Smith. Unmarried females should be described as Miss, as Miss Ellen Jones. Titles of honor should be given, as Count, Baron, Duke, Marquis, Dr., Rev., etc. Professional titles, as Lawyer, Physician, Minister, etc., should be added.

Abbreviations should be avoided, as far as possible, in writing names of persons and places. Names of persons and places should be spelled according to the best authority.

Column 2. Write the name of the city, town, or village where the alien intends to reside in the United States, as far as known.

Column 3. Write the name of the State in the United States where the alien intends to reside, as far as known.

Column 4. Write the name of the country of which the alien is a citizen or subject. This column should be carefully filled, as it is frequently confounded with the next column, which is of great importance.

Column 5. Write the name of the country from which the alien last emigrated, whether it be the country of which he is a citizen or subject or not. Thus, a Swiss citizen who has resided in Germany for a number of years before coming to the United States should write Germany in this column. A Canadian who has resided in the United States for a number of years before returning to Canada to settle should write United States in this column. A Canadian who has resided in Ireland for a number of years before coming to the United States should write Ireland in this column. A native of Germany who has resided in Canada for a number of years before coming to the United States should write Canada in this column. A native of Germany who has resided in Switzerland for a number of years before coming to the United States should write Switzerland in this column. A native of Germany who has resided in Germany for a number of years before coming to the United States should write Germany in this column. A native of Germany who has resided in Germany for a number of years before coming to the United States should write Germany in this column.

Column 6. Write the name of the place of birth, as far as known, of each alien, whether in the United States or not. Thus, a native of Germany who has resided in the United States for a number of years before returning to Germany to settle should write United States in this column. A native of Germany who has resided in Germany for a number of years before coming to the United States should write Germany in this column. A native of Germany who has resided in Germany for a number of years before coming to the United States should write Germany in this column.

Special attention should be given to the correct filling of this column. Many of the letters of inquiry received by the Bureau of Immigration relate to persons who are reported as having gone to "France," when in fact they were natives of Alsace-Lorraine, Germany, and went to France only for the purpose of evading the military service required of them by the German Government. Many others who are natives of Germany, Austria-Hungary, Russia, Turkey, and other countries, but who have resided in France for a number of years before coming to the United States, have been reported as coming from France. In all such cases the country of birth should be given, and not the country from which they came.

Column 7. Write the name of the race or people to which each alien belongs. The following are examples of races or peoples: Bohemian, Bulgarian, Chinese, Croatian, Cuban, Dalmatian, Dutch, East Indian, English, Finnish, Flemish, French, German, Greek, Hebrew, Irish, Italian (North), Italian (South), Japanese, Korean, Lithuanian, Magyar, Mexican, Montenegrin, Norwegian, Pacific Islander, Polish, Portuguese, Roumanian, Russian, Ruthenian (Russniak), Scandinavian (Norwegians, Danes, and Swedes), Scotch, Servian, Slovak, Slovenian, Spanish, Spanish-American, Syrian, Turkish, Welsh, West Indian.

## EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

### SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those in transit or transit, should be made in accordance with the following classifications. The number of the column on the record is given in these special instructions and as followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

*Column 4 (Age).*—The entry in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

*Column 5 (Sex).*—The entry in column 5 should be either M (male) or F (female).

*Column 6 (Married or single).*—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

*Column 7 (Calling or occupation).*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, miner, coal miner, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

*A farmer* is one who owns or rents a farm, either for himself or others.

*A farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

*Column 8 (Able to read and write).*—Column 8 is subdivided and the entries therein should be either Yes—Yes can read and write), No—No can neither read nor write), or Yes—No can read but not write).

*Column 9 (Nationality).*—Column 9 should be construed to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

*Column 10 (Race or people).*—The entry in column 9 should show the race or people as given in last column on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

#### CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

#### WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

#### SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

#### AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

#### ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north)." Most of these people speak a Gallic dialect of the Italian language.

#### ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzo, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian (south)."

*Column 11 (Last residence).*—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the province, city or town.

*Column 12 (Final destination).* The entry in column 11 should show definitely the place (city or town) of final destination.

*Column 13 (Whether having a ticket to such final destination).* The entry in column 12 should be either Yes (ticket) or No (no ticket).

*Column 14 (By whom was passage paid).*—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

*Column 15 (Whether in possession of $50, and if less, how much).* The entry in column 14 should give in each case (individual or family) the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

*Column 16 (Whether ever before in the United States; and if so, when and where).*—The entries in column 15 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

*Column 17 (Going to join relative or friend, and if so, what relative or friend).*—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

*Columns 12 to 17.*—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.
